

## About Us

Al - Fayhaa Association is a Non-profit Organization (NGO) based in Lebanon, dedicated to play active roles in building underprivileged communities responding to their needs. Al – Fayhaa Association is committed to leveraging citizens' capacities through education, protection, and advocacy programs ensuring equal and value-added services for all.

Al- Fayhaa Association was established in 1999 and legally authorized by the Ministry of Interior in 2008. The Association has no political nor sectarian orientation; it only adopts the principle of neutrality and non-alignment of any of the partisan spectra maintaining the same distance from everyone.

## Our Mission

Al – Fayhaa Association strives to build competent citizens who value education through investing in research, curriculum development, education, protection, child protection, empowerment and advocacy programs. Warranting a profound focus on maximizing children's and youth's access to quality education and protection across the region.

## Our Objectives

1. Design and implement formal and non-formal programs that serve the development of an appropriately informed, motivated, proactive and skilled human capital
2. Prevent and minimize school drop-out rates in the region by running campaigns that illuminate the benefits of education and advocate for children's and youth's right to quality education
3. Advocate for equitable and quality education and inclusive education in local communities
4. Develop advanced curricula that are inclusive of active teaching methodologies to cater for learners' various learning styles and special needs
5. Empower individuals from diverse cultural and socio-economic backgrounds and integrate those from impoverished areas and lead them toward being emotionally healthy and mentally capable individuals
6. Enhance the livelihoods of vulnerable youth by building their job readiness and technical capacities

## Our Departments

Al Fayhaa Association has several departments including full and part-time employees other than contractual individuals on projects. The departments are human resource, financial, procurement, management, monitoring, evaluation, accountability and learning, outreach and volunteers, education, inclusion, child protection, and research and development. The profound established departments are necessary for the implementation of various projects, some of which reaching 8500 beneficiaries/year in specific years.

The level of communication between key departments staff is organized as trained within the BALADI CAP program a USAID funded program that worked on developing certain NGOs capacities. Al Fayhaa Association is a graduate of the 2 years program, resulting with its teams being qualified on financial management, organizational development and monitoring and evaluation. Developed policies have been established as a result of the capacity building component. Al Fayhaa Association has a Financial Management Policy, Procurement Policy, Monitoring and Evaluation Policy, Child Protection and Prevention of Sexual Exploitation and Abuse Policy, Gender-based Policy and more.

We at Al Fayhaa Association have gained the LCRP expression of interest in all sectors, livelihoods, GBV, SGBV, Child Protection, Protection and Education. We officially have MEHE Expression of Interest in ECE, BLN, Retention and Recreation, Awareness Raising and Outreach and Special Needs Support.
